## EDUCATION ACTIVITY DONATION

For the school to continue to offer the opportunities we do, it is important that we receive your Education Activity Donation of \$22 per child for the year. This assists in covering the extra expenses associated with your child's education at this school that we do not get funding for from the government. Your donation goes toward the following expenses:

- ✓ School events: \$4 This covers Assemblies at the Kiwi/ANZAC hall, Stadium hire etc
- ✓ Class consumables – \$18 - art, technology supplies etc. (This equates to \$4.50 per term)

Education Activity Donation Total: \$22 (Tax Deductible)  
*(This equates to \$5.50 per term)*

Thanking you in anticipation for your support.

## RELIGIOUS EDUCATION DONATION

This supports our Religious Education programme and the Special Character of our school.
